Contact

Mrigank Mishra
Founder

18+ years of Cyber Intelligence, Small Arms Design, IT & Business expertise. Focus on hard core intelligence & partnerships.

Started dismantling computers, people and networks at a very early age. Curious by design.

Naval Sharma
CTO

The original creator of Dhanush. 18+ years of deep technical experience in AI, Deep Tech, Software Development, Criminal Investigations & Supporting Law Enforcement Units across India.

One of the first architects of telecom intelligence tools in India. Focus on technical excellence and team development.

2500+ cases

5+ agencies

20+ certifications

TRINETRA

Q&A

We are on a mission to transform the way law enforcement units investigate crimes and maintain digital operational resilience.

We provide capabilities that allow investigation units to shift focus from determined effort to rapid response based around near-real-time assessment & pre-emptive capabilities.
